General English
IH Darwin

I could not have asked for a better start than IH Darwin. When you're new to learning a language, you can hardly understand anything! But this doesn't act as a barrier because we students are always helping each other.

We have found a solid support team at the campus. These are all friendly and good people.

The teachers here are thoroughly professional and dedicated, and look after their students. They believe in us and encourage us to get better at the language.

I had never studied English. I'm slowly learning the ropes, but my teachers know what my struggles are - grammar and writing - and they make sure we get better each day.

Learning at IH Darwin has been an enriching experience, and I can't recommend it enough to those looking to learn English in Australia.

IH Bondi

I chose to study at ihBC because I had heard a lot of good things about this institution, and because they are flexible with the timetable. I chose Leadership & Management because it will help me develop my career.

We learnt a lot of things, like how important it is to develop a business plan, and how to handle feedback between stakeholders and staff to achieve goals.

The trainers are amazing! They're friendly and helpful, and they share a lot of their experience. They bring dynamic discussions to the classroom.

The course is helping me build my confidence, manage my team better, and improve my performance.
