"I loved my internship! I did it with ZayZoon, which is a start-up. They are very strong in the market, and my experience was fantastic - I've learned a lot! It opened doors to fantastic networking opportunities. I was recommended by my supervisor to another company, and now I am working as a marketing manager!"

**Isabella Bassanelli, Diploma of Social Media Marketing graduate
Brazil**

CRICOS 105377E | 10904NAT

Fee for internship of \$1250 per student.

* The internship must be completed within the period of the course.
