English for Academic Purposes

Advance your English and Academic Pathways to Higher Education!

COURSE CODE: 062542A

Developing your English language skills for academic purposes (EAP1 and EAP2) are essential if you are planning to further your education or work in Australia or overseas. Our courses are designed to provide students with the necessary skills and confidence to enhance their proficiency in the four main communication skills in English: **reading, writing, listening, and speaking.**

Who should do these courses?

Students who are interested in pursuing further **study in higher education*** will gain the advanced language proficiency skills and knowledge to be ready to participate in a range of academic activities, from robust discussions, to writing, reading, comprehension of complex texts, and expanding their vocabulary. These courses also improve students grammar, while introducing them to a range of study skills and independent learning techniques, to further help them adapt and succeed.

*** EAP1: Diploma or Degree level**

*** EAP2: Degree or Post Graduate level**

Intake Dates	T2 Week 1 1 July	T2 Week 7 12 Aug	T3 Week 1 30 Sept	T3 Week 7 11 Nov
--------------	---------------------------	---------------------------	----------------------------	---------------------------

The courses will be a closed class for 12 weeks; however, intake can occur in Week 1 or Week 7.
